

Introducing Independent-Plus

Independent-Plus is a new option that makes retirement living even easier for Village residents. As your needs change, our services evolve and adapt to you. Independent-Plus allows residents to remain in the comfort of their Independent Living apartment, but tap into the services they need without moving to a different apartment – we deliver Assisted Living services to you.

The Village
At Regional West

Say goodbye to home maintenance and say hello to new friends, a relaxing environment, and the freedom to come and go as you please. The Village at Regional West is the perfect home for active people who are ready to trade the upkeep of a home for a more leisurely lifestyle.

Independent, Independent-Plus, and Assisted Living apartments are available through simple leases with no entrance fees. Our Independent-Plus option allows you to receive short- or long-term care, if needed, in the comfort of your Independent Living apartment. And it's reassuring to know that quality health care services are right next door at Regional West Medical Center.

Carefree Senior

The Village offers comfort, affordability, and peace of mind for seniors. You'll enjoy gracious retirement living; the security of a close-knit community; and the kind of amenities, activities, and services that help make life full and rewarding.
