

STARS

Name a **Shooting Star!**

Regional West is proud to recognize our employees, physicians, providers, and nurses for providing above and beyond **outstanding care and customer service.**

Employees who are recognized as a **“Shooting Star”** by a patient or peer will receive a token of recognition. All Shooting Star nominations are reviewed by a committee for consideration of being STAR of the Quarter and STAR of the Year, where they will receive recognition in the newspaper, a gift, and their photo displayed on our Wall of STARS.

Please help us honor those who are doing an outstanding job by giving a specific example of how an employee, physician, provider, or nurse provided amazing service that exceeded your expectations.
