

GOALS OF THE RADIOGRAPHER PROGRAM

Regional West Medical Center School of Radiologic Technology has a primary goal to graduate quality radiologic technologists by providing quality education consistent with current standards in the field of radiologic technology.

Responsibility: Program Director, Educational Advisory Committee, Instructors, Clinical Staff

Standard: Administration

Upon successful completion of the Program, the graduate will:

- Demonstrate the skills necessary to perform as an entry-level radiographer
- Demonstrate critical thinking and problem solving skills
- Demonstrate effective communication skills
