

STUDENT RIGHT TO KNOW

Students entering Regional West Medical Center School of Radiologic Technology shall be informed of the graduation rate.

Responsibility: Program Director, Educational Advisory Committee
Standard: Administration

In accordance with the Public Law 102-26, the Higher Education Technical Amendments of 1991, students entering Regional West Medical Center School of Radiologic Technology shall be informed of the graduation rate for students in the Program.

The graduation rate shall be determined by using the number entering the Program compared to those graduating from Regional West Medical Center School of Radiologic Technology.

Students who leave for the following reasons shall not be included when calculating the graduation rate:

1. Students who leave school to serve in the Armed Forces
2. Students who leave school to serve on official church missions
3. Students who leave school to serve with a recognized foreign aid service of the Federal Government.
