

RETRAINING FORMER TECHNOLOGISTS

Regional West Medical Center School of Radiologic Technology shall provide assistance to technologists re-entering the profession by providing the education opportunities necessary for successfully gaining registration with the American Registry of Radiologic Technologists and State Licensure.

Responsibility: Program Director
Standard: Human Resources

Former technologists seeking on-campus education through Regional West shall apply for enrollment as a student in the Program. If accepted into the Program, advance placement will be determined on a case by case basis.
