

JRCERT

Regional West Medical Center School of Radiologic Technology is accredited by the Joint Review Committee on Education in Radiologic Technology.

The Joint Review Committee on Education in Radiologic Technology (JRCERT) is the accrediting agency for many radiography programs. The JRCERT Standards assure that a program accredited by the JRCERT maintains a high quality in education for the students as well as protecting the student and public from unwarranted or unsafe policies or practices.

Students are provided with a copy of the JRCERT Standards as a part of the Student Handbook after enrollment in the Program. Students have online access to the handbook in addition to a paper or CD copy. Students may also access the Standards by the following URL address: <http://www.jrcert.org/programs-faculty/jrcert-standards/>

Provision is made for students to identify allegations regarding the Program's non-compliance with the current Joint Review Committee on Education in Radiologic Technology (JRCERT) Standards. A student who has an allegation that the Program is not in compliance with the current Standards is advised to complete the JRCERT allegation form and submit to the Program Director.

No student will be subject to reprimand or harassment as a result of initiating a complaint, providing testimony, or assisting a fellow student with the presentation of a complaint. The program will maintain a record of allegations and their resolution. The JRCERT Standards assure that a Program accredited by the JRCERT maintains a high quality in education for the students as well as protecting the student and public from unwarranted or unsafe policies or practices.
